E-Books and Audio Books (Preschool – 12th grade)

In time for the summer break, we have added new books to our online library. This is a wonderful opportunity to take books/audiobooks with you on vacation. There is a large selection of materials for even our youngest students.

You can quickly access the e-library at: <https://soraapp.com/library/germandc>, or simply download the free Sora-App for Android or iOS.

Your username is firstname.lastname (i.e. michael.smith). The password is "griffins". All students are already in our system. Please let us know if you have any problems or questions.

Happy Reading!
